

# WOODWORKING

## Learn valuable skills, like how to:

- Use hand and power tools
- Complete various woodworking projects
- Apply math and measurement tools
- Develop a career plan
- Earn an **OSHA 10 certification**

## Length of Class:

7 weeks  
Monday through Friday  
9AM to 5PM

## Gain a career in occupations like:

- Custom cabinet shops
- Interior Millwork companies
- Fabrication or Scenic shops
- General Construction

## Professional coaches will help you:

- ⇒ Prepare for interviews
- ⇒ Access an employer network of over 100 companies
- ⇒ Learn how to advance within the industry

To enroll in this training, you must meet **both** the Basic Requirements for Families Forward, and meet all the requirements for Woodworking.

## Eligibility Requirements for Woodworking:

- You are 21 or older.
- You can pass a basic academic assessment test.
- You can attend an interview and tryout.
- You are able to lift 70 lbs.
- You have a strong interest in the industry.

If you do not meet the requirements for this Career Track, we can help you find a different track!
